

ROSENFELD  
GALLERY

October 31, 2018

To whom it may concern,

The Rosenfeld Gallery is pleased to announce a solo exhibition by the artist Alina Orlov, which will be displayed in the gallery's special projects venue between 27/12/2018 – 31/1/2019. Since the exhibition will contain site-specific installation, the artist's presence in the gallery is essential in the period prior to the opening, how much more so, at the opening event. Furthermore, her presence might be required as part of gallery talk, which usually takes place during the exhibition time.

Zaki Rosenfeld,  
CEO and owner
